

# JOIN OUR TEAM

Pokeland 0 is a mixture of the old fashioned 'The Legend of Zelda'- and traditional Pokémon games. Mixing the two together and you get an awesome story driven action adventure RPG!

To expand our team, we are looking for some motivated Level-Designers, a pixel artist and a community manager!

We don't require you to have much experience! For us, it is important that you are motivated to help working on an amazing videogame- & multimedia-series!

We also offer a lot of opportunities to bring in your own ideas!

## Programmer

As a programmer you will play a pivotal role to create engaging and fun game-mechanics:

- Create combat mechanics & Dungeon Items (Overworld, Realtime)
- Programm fun minigames
- Help to design Levels
